

Address of Dr. Shane's Denver Area office:

New West Physicians' Denver West Behavioral Health Clinic
1707 Cole Boulevard, Suite 150, Golden CO 80401

To call me: I am in the New West Physicians Golden office on Mondays and Wednesdays. If you need to call me on the phone for any reason (to say you're late, you're sick and having to cancel a session, or if it's after hours and the office building door is locked so you need me to come out and open it) call me on my cell phone, 303.304.9933 because my main office phone number rings in my Boulder office.

From Denver:

Take Interstate 70 west to near Golden

Get off at Denver West Blvd. exit

Turn left on Denver West Blvd.

From Golden:

Take Interstate 70 east

Get off at Denver West Blvd. exit

Turn right on Denver West Blvd.

The first street is Cole Blvd.

Turn left

The first left into a parking lot. The sign says "Cole Center 1697-1707 Cole Blvd."

Park and go in the main entrance to the building (it has 1707 on it).

Once inside the building, turn to your left.

To the right of the stairway is Suite 150, New West Physicians.

Go in that office. Do *not* check in at that front desk and do *not* sit in the waiting room for main physician's office.

Turn left before you get to the front desk.

Walk about 15 feet to the left, then turn right, so you are going around the front desk.

Go through the door that has my name on it.

The second door on the left is the waiting room.

In the waiting room, on the magazine table, you will see a small box on which is written, "To let Dr. Shane know you are here, turn this switch on and leave it on." Please do so. That turns on a light in my office to let me know you are here.

For the restroom, outside the waiting room, turn left and walk to the end of that hallway. Turn right and go down that hallway. Restroom is a few doors down on your left.

If you want water, there is a water cooler out in the physicians' waiting room.
